

## Does Your Student Still Need An Instrument ?

Because of the fire drill on the Band Rental Night, or other reasons, it is possible that some families did not get an instrument on Tuesday or Wednesday evening. If you are wondering how to get an instrument through K and C music, here is what you need to do:

Contact K and C Music at 781-769-6520

They will mail you a contract.

Once the contract is mailed back to K and C, they will bring your child's instrument to their school!

Even if your child does not have an instrument for their first lesson, they should still attend the lesson to learn how to read the schedule and listen to the general comments regarding lesson procedures.
