

**Participation Agreement Form
Great East Festival/Canobie Lake Park**

I, the parent/guardian of _____, understand and agree that the Great East Festival/Canobie Lake Park field trip is considered a privilege and a reward for upstanding participation in the music program. I understand and agree that my child may be denied the right to participate in the Great East Festival/Canobie Lake Park field trip for any of the following reasons.

1. Failure to attend both the winter and spring concerts.
2. Failure to behave appropriately in class, in school, or at concerts.
3. Failure to prepare music for the festival.

I understand that, while an effort will be made to reimburse the student, after a certain date money paid for the trip may not be refunded, as the school must pay for the trip ahead of time.
