

MARSHFIELD PUBLIC SCHOOLS

MUSIC DEPARTMENT

Instrumental Music Lessons

Your child recently attended an assembly explaining the instrumental music lesson program available through the Marshfield schools. Students in Grades 4 and 5 may elect to study one of the band instruments, while students in Grade 3, 4, and 5 are eligible to study one of the stringed instruments. Please list your student's first choice and second choice instrument. Some instrument classes become too large, and it may be necessary to place your child in their second choice instrument. If necessary, placement is determined through a lottery system. The lessons, 30-minute groups once a week, are offered as part of the music curriculum at no extra charge, but the student is responsible for obtaining his/her own instrument. Two informational /rental meetings have been scheduled.

BAND INSTRUMENTS –Tuesday, Sept. 23 –7:00 pm-Furnace Brook Middle - Aud.

STRING INSTRUMENTS – Wed, Sept. 24– 7:00 pm-Furnace Brook Middle - Aud.

Music staff will be present to explain the program and answer any questions. Representatives from the K & C Music Co. will also be present to explain their rental program and to issue instruments. Starting dates for lessons will be announced through individual school/parent newsletters. It is most important that participating students have an instrument (in good playing condition) at the first lesson.

By bringing home this form, your child has expressed an interest in enrolling in this program. If he/she is not already involved in numerous activities that might interfere with the 15-20 minute daily practice routine, and is generally conscientious about schoolwork, you may wish to consider music instruction. We urge you to discuss this commitment with your child in the interest of ensuring their success. If you wish to enroll your child, please complete the form below and return it to your child's school office by **THURSDAY, SEPTEMBER 18th**.
